

We're excited to present a resilient plank in our bestselling wood looks. Emulating the top species and colours of hardwood, these are marketplace must-haves that work with tons of decorating styles. Its' Fold-N-Go locking system is precision-engineered with the most advance technology possible; making it easy to use, strong, and durable. Floorte's floors are also flexible, concealing imperfections of the floor beneath so less floor prep is needed. And best of all, it's **WATERPROOF**.
